

## Editorial Internship – Summer 2013

Through a wide variety of magazines to digital, seminars, trade shows and custom print projects, **Meister Media Worldwide** is a leading Communication and Information Center for Worldwide, Specialized Agriculture. We are seeking a high-energy college junior or senior with an interest in a writing and editing career in business media to join our editorial team for a paid 12-week summer internship. This internship will provide exposure to portfolio-building work from all four of MMW's major publication areas: ornamental plants and flowers, horticulture, agricultural row crops, and international agribusiness.

**Responsibilities** include but not limited to:

- Reporting, writing, editing / proofing with a potential for longer-term editorial projects
- Participation in producing content for print publications, e-newsletters, websites, social media and potentially video and custom (i.e., advertiser-sponsored content).

**Qualifications:**

- Candidates must have an excellent portfolio of writing diverse content for college newspapers, magazines, websites or e-newsletters.
- Demonstrated ability to quickly assimilate details into a cohesive story and proof it to a ready or near-ready publication state.
- Ability to multitask and work without constant supervision.
- Experience in web publishing and video editing a plus.
